Checklist from National Library of Medicine Tutorial

Section 1 examines the provider.
- Who is in charge of the Web site?
- Why are they providing the site?
- Can you contact them?

Section 2 looks at the funding.
- Where does the money to support the site come from?
- Does the site have advertisements? Are they labeled?

Section 3 evaluates the quality.
- Where does the information on the site come from?
- How is content selected?
- Do experts review the information that goes on the site?
- Does the site avoid unbelievable or emotional claims?
- Is it up-to-date?

Privacy is the focus of Section 4.
- Does the site ask for your personal information?
- Do they tell you how it will be used?
- Are you comfortable with how it will be used?
